## SPECIAL LIST

**Mention This When You Order for Special Prices**

**We estimate that at this date we have unsold the  
following list of stock in the field of**

### **GRADE B**

This is extra good stuff—good at both ends for the most part—but will not be quite heavy enough to go in grade A; you will note that the list is made up of very fine sorts and that we are pretty well supplied on most of the big sellers; they are however now being booked up rapidly and to **GET IN LINE FOR YOUR SHARE** means **ORDER NOW**. We are naming the prices attached in consideration of **PROMPT ORDERS** and **STOCK TO BE SHIPPED BEFORE FEBRUARY FIRST**; that is to say, we reserve the right to ship orders fast as we get stock dug and graded—not holding it at all or re-handling; further, these prices are “special” and do not influence in any way orders already booked. We regard this B grade this year as very **BIG VALUE** and you surely can make **A POT OF MONEY** on it by loading up well while you can get it.

In the matter of C grade it is impossible to make any estimate of quantities before stock is dug and graded, but any one who has use for such

for potting, lining out, etc., is on the right side when he buys all he can get.

We have not made any estimate of unsold stock in grade A, but know that we are still able to do in large quantities such big pullers as ETOILE DE FRANCE, CLARA WATSON, LA DETROIT, HELENA CANBIER, CHATENAY, ETC.

Terms, conditions of sale, guarantee, etc., etc., applies as set forth in detail in our "Regular Issue No. 1" general Price List.
